C. Disclosures

Security Interest Specific for Credit Cards: I acknowledge and pledge, specifically as a condition of my use of the credit card, that I have voluntarily granted Navy Federal a security interest in all of my individual and joint share accounts at Navy Federal. If my credit card loan becomes delinquent, this security interest may be used without further notice to pay all or part of such delinquency. This security interest does not apply to shares in an Individual Retirement Account (IRA).

Applicant's Initials

If you are applying for a *cash*Rewards Secured credit card, please review and initial the Secured Credit Card Security Interest disclosure below:

Secured Credit Card Security Interest: I voluntarily grant Navy Federal a security interest in the funds deposited in the share savings account number previously designated. Upon approval, the funds in this savings account will be held as a condition of my use of this secured credit card account such that I and other savings account owners, if any, may not withdraw or otherwise access these funds while the credit card account remains secured. Additionally, the designated funds may not be used to secure other loans. The amount held will be equal to the amount of the secured portion of the assigned credit limit. Navy Federal may, at its discretion and upon review of my account, increase my credit limit without requiring additional secured funds. If I exceed the credit limit, fail to make any payment due, or if the account is otherwise in default under the terms of the secured Credit Card Agreement and Disclosure, or if the secured credit card account is closed by me or Navy Federal, Navy Federal may apply all or part of the funds on hold to pay the remaining account balance.

Applicant's Initials

Consumer Credit Report: I authorize Navy Federal to obtain a consumer credit report in connection with this application for credit and, if an account is opened, to obtain consumer credit reports and any other information about me for the purposes of increasing the credit line, reviewing or collecting this account, and evaluating my creditworthiness.

[1] **Variable Rate Information:** Your Standard APR is your APR for Purchases, Balance Transfers, and Convenience Checks, and it will vary based on the U.S. Prime Rate. This means it could increase if the U.S. Prime Rate increases or decrease if the U.S. Prime Rate decreases. An increase or decrease in your Standard APR will affect the total amount of interest you pay and your Minimum Payment Due amount. We determine your Standard APR on the first business day of each month by adding a percentage amount, which we call the Margin, to the U.S. Prime Rate published in the *Wall Street Journal* on the first publication day of the previous month. The Margin is based on your creditworthiness. Your Standard APR's Margin will range from 3.49% to 18.00% based on product type.

[2] **GO REWARDS Cards:** If your application is approved for an account with a credit line of less than $5,000, you will receive a Visa® **GO REWARDS** or **GO REWARDS** Mastercard® account. If your credit line is $5,000 or greater, you will receive a Visa Signature **GO REWARDS** Card or a **GO REWARDS** World Mastercard account. The benefits for Visa **GO REWARDS** or **GO REWARDS** Mastercard accounts differ from those for Visa Signature **GO REWARDS** and **GO REWARDS** World Mastercard accounts.

[3] ***cash*Rewards Cards:** By submitting your application, you are applying for a *cash*Rewards card account. If your application is approved for an account with a credit limit of less than $5,000, you will receive a standard *cash*Rewards card that earns 1.5% cash back. If your credit limit is $5,000 or greater, you will receive a *cash*Rewards Plus card that earns 2% cash back. The benefits of a standard *cash*Rewards card differ from those of a *cash*Rewards Plus card.

[4] **Annual Fees:** If you are issued a Flagship Premier Visa Signature card, you will be billed the annual membership fee. This charge will appear within your first two statements, and annually thereafter.

[5] **Late Payment Fee:** You will be required to pay a late payment fee of up to $20.00 if you do not pay at least the minimum payment by the payment due date on your statement. Navy Federal may also assess the late payment fee every month thereafter that you are past due.

Security Interest Specific for Credit Cards: If you are approved for a credit card, you acknowledge and pledge, specifically as a condition of your use of the credit card, that you have voluntarily granted Navy Federal a security interest in all of your individual and joint share accounts at Navy Federal. Additional Disclosures

BALANCE TRANSFER

How will a balance transfer affect interest charged on purchases? If you transfer a balance, interest will be charged on purchases made with your credit card unless your purchases have a 0% APR or you pay the entire balance (including any transferred balances) in full each month by the payment due date.

When will interest start to accrue on the balance transferred? Interest will start to accrue on the later of the transaction date or first day of the billing cycle in which your balance transfer transaction posts to your account. If your balance transfer is subject to a promotional APR of 0%, interest will not start to accrue until your promotional rate expires or if a penalty rate applies.

Will I receive rewards on the balances I transfer? No. Balance transfers are not eligible to earn rewards.

Do I need to make payments during the promotional period? Yes. You must pay at least the minimum payment due by the payment due date. If you do not pay this amount by the payment due date, you may lose your promotional APR.

Can Navy Federal refuse certain balance transfers? Yes. Only balances from other card-issuer accounts are eligible for transfer.

How much can I transfer? The maximum total transfer amount is limited to your available credit line, but no single balance transfer can be greater than $30,000.

Are there exclusions when transferring a balance with a special offer? Yes. Balance transfers using convenience checks are excluded from special offers.

When will the balance transfer post to my account? We will process the balance transfer within 10 days of your transfer request. This will allow you time to receive and review the disclosures that come with your new credit card. Once processed, the balance transfer will appear on your Navy Federal account and we will send payment to your other financial institution. Please allow up to an additional 14 business days for your other financial institution to receive and process the payment. **Existing accounts:** A balance transfer is typically posted to your account within 14 business days after your transfer request. **New and existing accounts:** While waiting for the balance transfer to pay off your other account(s), please continue to make payments to your other account(s) to avoid any late charges or delinquency.

Is there anything else I should know? Yes. You should be aware that if you transfer your balance from another account, you could lose your right to dispute any of the charges paid off as a result of transferring your balance.

REWARD PROGRAM DETAILS

How do I earn rewards?

• **GO REWARDS** credit cards earn 3 points for every $1 of eligible purchases made at restaurants, 2 points for every $1 of eligible purchases made for gas, and 1 point for every $1 of other eligible purchases. Merchants are assigned codes by payment networks based on what they primarily sell. We rely on this information to identify restaurant and gas purchases. If the purchase is not identified as a gas or restaurant purchase, it will not receive additional points. For example, purchases at restaurants located within another establishment (e.g., hotel, casino, commissary, grocery store, event venue), and purchases for gas at superstores, supermarkets, and warehouse clubs may earn 1 point per $1 spent because they typically are not assigned codes identifying them as restaurant or gas purchases.

• *cash*Rewards credit cards earn 1.5% cash back on every $1 of eligible purchases.

• *cash*Rewards Plus credit cards earn 2% cash back on every $1 of eligible purchases.

• Navy Federal More Rewards American Express® Cards earn 3 points for every $1 of eligible purchases made for gas, transit, restaurants, food delivery, and at supermarkets, and 1 point for every $1 of other eligible purchases. Merchants are assigned codes by payment networks based on what they primarily sell. We rely on this information to identify gas, transit, restaurant, food delivery, and supermarket purchases. If the purchase is not identified as a gas, transit, restaurant, food delivery, or supermarket purchase, it will not receive additional points. For example, purchases for transit that are identified as railway, ferries/water trip, taxi, limousines, bus lines, charters, tour buses, tolls, road/bridge fees, and parking/lots will receive 3 points for every $1 spent. However, purchases at restaurants located within another establishment (e.g., hotel, casino, commissary, grocery store, event venue), and purchases for gas at superstores, supermarkets, and warehouse clubs, may earn 1 point per $1 spent because they typically are not assigned codes identifying them as restaurant or gas purchases.

• Flagship Premier Visa Signature® credit cards earn 4 points for every $1 of eligible purchases made on travel, 3 points for every $1 of eligible purchases made at restaurants (dining), and 1 point for every $1 of other eligible purchases. Merchants are assigned codes by payment networks based on what they primarily sell. We rely on this information to identify travel and restaurant purchases. Travel is typically coded as airline, hotel, car rental, bus lines, taxis, cruise lines, time shares, parking, rideshare, and transit. A travel or restaurant purchase may only earn 1 point per dollar spent, depending on the code used to process the transaction. If the purchase is not identified as a travel or restaurant purchase, it will receive 1 point per dollar spent. For example, purchases made at restaurants located within another establishment (e.g., casino, grocery store, event venue) may not be assigned a restaurant code, which means they will only receive 1 point per dollar spent.

• *cash*Rewards Secured credit cards earn 1% cash back on every $1 of eligible purchases.

What else should I know about earning rewards? Eligible purchases include purchases of goods and services, minus returns and credits, and exclude fees, interest, balance transfers, convenience checks, and cash advances, including cash-equivalent transactions such as gambling, purchases from securities brokers and dealers (including prediction markets), money orders, gift cards, prepaid cards, and person-to-person money transfers through third-party services.

Are there any limits on the amount of rewards I can earn? No.

Will my rewards expire? Your rewards do not expire, as long as your account remains open.

Are there conditions for earning or redeeming rewards? Rewards earned are updated on the date the eligible transaction posts to your account. Rewards may be used for reward redemptions once they have been credited to the account. To redeem rewards, the account must be open and in good standing (i.e., not delinquent, closed by either party, or otherwise unavailable to use for charges).

What happens to my rewards if the account is closed? In most cases, rewards are forfeited when an account is closed. Special terms apply for New York residents. For more information about the rewards program, refer to the card's Program Description.

OTHER IMPORTANT ACCOUNT INFORMATION

How are my payments applied? In general, we will apply your minimum payment first to interest and then to fees before applying it to transaction balances. If your account has transaction balances with different APRs, we will apply the minimum payment first to the balance with the lowest APR before balances with higher APRs. Any payment amount received in excess of the minimum payment will be allocated to the balance with the highest APR and any remaining portion to the other balances in descending order based on the APR.

Can I authorize another person to use my account? Yes. You can add an authorized user to your account. Authorized users can use your account subject to the terms and conditions of the Credit Card Agreement and Disclosure. You are responsible for any use of your account, including paying for any charges made or allowed by an authorized user. A credit report will not be pulled for authorized users. However, we will report account performance in the authorized user's name to the credit bureaus.

STATE DISCLOSURES

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Wisconsin Residents: Wisconsin law provides that any agreement, unilateral statement, or court decree relating to marital property may not adversely affect a creditor's interest, unless prior to the time credit is granted, the creditor is furnished a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision.
